

HAWAI`I ALUMNAE CHAPTER OF DELTA SIGMA THETA SORORITY, INC.

2024 High School Scholarship Applications

The Hawai`i Alumnae Chapter of Delta Sigma Theta Sorority Incorporated offers four scholarship opportunities for graduating high school seniors-the Lieutenant Colonel Carolyn L. Jones Memorial Scholarship, Penny Koger Scholarship for Excellence in Academics and Leadership Scholarship, Developing Excellence in STEAM (Science, Technology, Engineering, Art, and Math) Scholarship and the Onipa`a: Native Hawaiian Scholarship. By submitting this application packet, students can apply for each award. **However, qualifying students will only be awarded 1 scholarship.** Award selection will be determined based on selection criteria outlined in this packet. If your application is accepted, and you have been chosen to proceed with the interview process, you will be notified via e-mail or through telephonic communication.

Lieutenant Colonel Carolyn L. Jones Memorial Scholarship

LTC Carolyn L. Jones attended Benedict College and pursued a Bachelor of Science degree in Computer Science. She also received her Master's in Computer Information Systems from Webster College. LTC Jones was commissioned in the United States Army on the 13th of December 1991 as a Second Lieutenant. She was awarded several decorations during her service and was promoted to the rank of Lieutenant Colonel (LTC) posthumously. LTC Jones began membership in Delta Sigma Theta in 1996 at Columbia Alumnae. The Hawai`i Alumnae Chapter is honored to offer the Lieutenant Colonel Carolyn L. Jones Memorial Scholarship.

Penny Koger Scholarship for Excellence in Academics and Leadership

Penny Koger held a B.S. degree in Government and History from Wofford College in Spartanburg, South Carolina. She was named the 1997 Volunteer of the Year by the Metro Spartanburg Boys and Girls Club in South Carolina and was a member of the Wofford Alumni Network. She was commissioned as a Second Lieutenant in the United States Army as a Signals officer and was honorably discharged. Penny began membership in Delta Sigma Theta in 1998 at Xi Iota City-Wide chapter of Delta Sigma Theta Sorority, Inc. and was a Diamond Life member of the Hawai`i Alumnae Chapter until her passing on December 31, 2013.

Developing Excellence in STEAM (Science, Technology, Engineering, Art, and Math) Scholarship

As the world around us continues to change, STEAM fields are becoming increasingly vital to the future of our society. STEAM is an educational approach to learning that uses Science, Technology, Engineering, the Arts and Mathematics as access points for guiding student inquiry, dialogue, and critical thinking.

The end results are students who take thoughtful risks, engage in experiential learning, persist in problem-solving, embrace collaboration, and work through the creative process. These are the innovators, educators, leaders, and learners of the 21st century!

The Hawai`i Alumnae Chapter of Delta Sigma Theta (HACDST) wants to extend STEAM opportunity to our O`ahu youths. HACDST is pleased to recognize local high school graduates residing in Hawai`i who display academic excellence as well as a clear demonstration of leadership skills in serving the community. It is our goal to continue to diversify the future of education by cultivating the thirst for knowledge in these disciplines.

Onipa`a: Native Hawaiian Scholarship

The term 'Onipa`a was the motto of Queen Lili`u`okalani. Although her reign was cut short in 1893, she remains an enduring symbol of hope for Native Hawaiians. 'Onipa`a was part of the Queen's motto: "E'onipa`a i ka 'imi na'auao." This can be interpreted as: "Be steadfast in the seeking of knowledge".

In honor of the Native (Indigenous) people of Hawai`i, the Hawaii Alumnae Chapter of Delta Sigma Theta Sorority, Inc. is pleased to offer the Onipa`a Scholarship for Native Hawaiian high school graduates residing on Oahu.

Dear High School Senior:

Delta Sigma Theta Sorority, Inc. is a private, non-profit organization whose purpose is to provide assistance and support through established programs in local communities throughout the world. A sisterhood of more than 200,000 predominately Black college educated women, Delta Sigma Theta currently has over 900 chapters located in the United States, England, Japan (Tokyo and Okinawa), Germany, the Virgin Islands, Bermuda, the Bahamas and the Republic of Korea. The major programs of the sorority are based upon the organization's Five Point Programmatic Thrust:

- Economic Development
- Educational Development
- International Awareness and Involvement
- Physical and Mental Health
- Political Awareness and Involvement

The Sorority was founded in 1913 by 22 students at Howard University. These young women wanted to use their collective strength to promote academic excellence; to provide scholarships; to provide support to the underserved; educate and stimulate participation in the establishment of positive public policy, and to highlight issues and provide solutions for problems in their communities.

The Hawai`i Alumnae Chapter is committed to implementing programs in the public interest, which promote cultural development, intellectual stimulation, and high moral standards among its members and the community at large. Various activities are conducted within the Hawai`i community under the umbrella of the Sorority's Five Point Programmatic Thrust. One such focus is educational development. Each year our chapter awards college scholarships up to the amount of \$4,000 to deserving high school seniors. We are excited and pleased to be able to offer this opportunity to graduating seniors residing on the island of Oahu!

 - Define leadership. Explain how the following quote reflects the profile of leadership and dedication to the community. Detail how leadership experience and commitment to education align to ideals reflected in the following quote.

“We have to take care of the community because if we don’t, it’s not going to be here. I also want to send a message to naysayers who believe because you’re of a certain age you’re not capable of leading. It’s not the age of the person, it’s the knowledge and understanding that person has received.” ~ Penny Koger

Developing Excellence in STEAM (Science, Technology, Engineering, Art, and Math) Scholarship

Use technology to discuss any STEAM topic that you are passionate about.

THINK: Who, What, Where, When and Why

Describe your STEAM. Be explicit. What is it about? Why is it important to the viewer? Who/what does it address? Describe the impact on the future of STEAM initiatives. How will you use the impact to advance your own community in Hawai'i?

Create a video, in lieu of an essay, to demonstrate your interest in STEAM. Present your topic of interest using multimedia/technology tools and display examples of your STEAM discipline(s) of choice. Maximum length is 5 minutes.
